Good morning everyone,

I attempted service on 3/1 ~7:20 pm and was told by Caroline in the driveway that Tim wasn't home nor was she sure if he'd be home on the weekend. [REDACTED]

I attempted service on 3/3 ~7 pm with some lights on inside but no one answered the door. They do have a doorbell service on the right side of the front door.

I'm not optimistic that I'm going to get Tim served at 7426 MD but luck plays some part in these things. I have a prior commitment that is taking me out of the office until, 3/8, but will be able to attempt service again on the weekend.

If you'd like I can try again on 3/8 and if unsuccessful I can try earlier on 3/9 or 3/10 & canvas neighbors if unsuccessful again. Thoughts & ideas? Thanks, Tim

I have spent ~ 5 hours working on the case so far.
